Thanksgiving in October?

“But when you give a banquet, invite the poor...” (Luke 14:13)

Just a few months ago, people celebrated CHRISTmas in July. Our own Lutheridge camp is famous for this! This month, I need to celebrate Thanksgiving in October!

Many thanks to everyone who made our inaugural “God’s Work. Our Hands” Sunday a wonderful experience. We were able to do many good things for others. It made everyone feel useful; it made them happy; “It was fun!” someone said to me. Yes – ministry can be fun! In the meantime, blessing is shared with many others who might not have had that gift of joy in a long, long time.

There is a small group of OSLC people who have come up with the idea of a special Thanksgiving service and meal in November. It will happen on the usual Sunday before Thanksgiving, November 18. We are going to invite many people who do not have the opportunity to have a good thanksgiving meal to join us, and we will be giving you details of how you can participate as well (details coming in November). We will begin with a worship service in the nave, and then gather to eat together as a congregation—all of which will give us a chance to give thanks for all that God has given us.

Look throughout this newsletter for other ways to praise and serve Christ. There are good things happening here, and for the fun, fellowship, and service to God – you can be a part of all of it! Peace to you as you serve in your own ways.

And for all these things, we give thanks! (I Thess. 5:18)

Your friend in Christ,

Pastor Jim

2018 Cash Recap

	August			2018

Less: Restricted Cash					\$ (338,718)

Notes:

Our July offerings were within \$559 of budget.

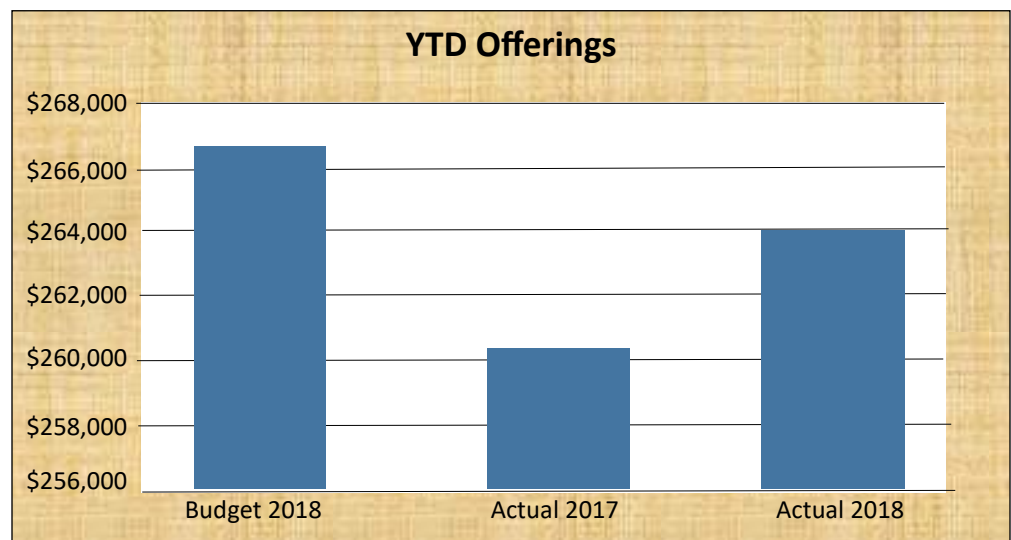

For the year to date, we are almost on track for our offerings. YTD offerings are only \$2,600 or 1% below budget. (\$76 per Sunday).

Year to date disbursements are \$5,100 or 2% **over** the budget.

The net impact is our YTD deficit is \$7,700 over budget.

Our largest budget overruns this year are due to Parents Day Out largely due to unbudgeted equipment purchases and property expenses with an air conditioner and furnace replacement.

Year-to-date, our offering is up \$3, 850 from last year. However, allowing for 35 Sundays last year vs 340 this year, our weekly offering is up \$332 per week this year.

Council Meeting Highlights September 10, 2018

Council Highlights

Kathy Robinson offered devotions.

Approved the August Congregational Meeting minutes as well as previous council meeting minutes and monthly reports.

Approved new members (to be received soon) of Emilie Tipton, Brently Dickey, and Deanna Dickey.

The renovation project will proceed as soon as work permits are received from the city. It should only take 2-3 weeks, hopefully, to complete.

2019 Budget process is underway. All Council members are asked to submit and/or meet with Richard Koepper to discuss their budget needs.

Giving recently has been good. We are very close to meeting our monthly budget. We have had property expenses that have caused us to have to spend more money (last month a furnace had to be replaced). Thanks to the congregation for their faithful giving.

Process has begun to find nominations to the 2019 Council. The positions open are: (1) Officers (2-year term) – Treasurer and Secretary; Representatives (3 year term) – Social Ministry; Stewardship, Youth Ministry.

Finance: The Nomination Committee is being formed as we speak. There is also a search for a Social Ministry replacement for Larry Ecklund who has served so well these many years as the Chairperson/Coordinator.

Columbarium Update: the committee has decided to go with the Everest Columbarium from North Carolina. It will be a free-standing columbarium in the courtyard of the church; the committee will now begin working on the policies for which the columbarium will be using. Once other details are worked out, the order will be placed, and it will take a number of weeks until the columbarium arrives and is in place.

Time, Talent, and Treasures information is needed. Those forms will be printed soon for distribution to the congregation.

A separate mailing to the congregation will be offered soon about how they might be financially supportive (over and above what they are currently giving to the general budget) to help with the renovation plan. Details forthcoming.

The meeting was adjourned with the Lord's Prayer.

Upcoming Events

YOU ARE INVITED TO A HALLOWEEN TRUNK OR TREAT OCTOBER 26 FROM 6-8 PM

This annual tradition at our church is one that truly reaches many people within our community. It has proven to be one that so many people look forward to every year. Please consider decorating your trunk, and bring candy that will be used to disperse to the kids who come.

- ☉ We really need your help on Thursday, October 25 in the evening to decorate.
- ☉ Volunteers to help the day of the event.
Food preparation is done this day and all through the event.
Help during the event making sure the food is stocked, drink coolers are filled, making sure all the members have candy outside as the kids trunk or treat.

It really is a rewarding way to see how our church is reaching so many people who do not go to our church.

A signup sheet is located on the Outreach bulletin board.

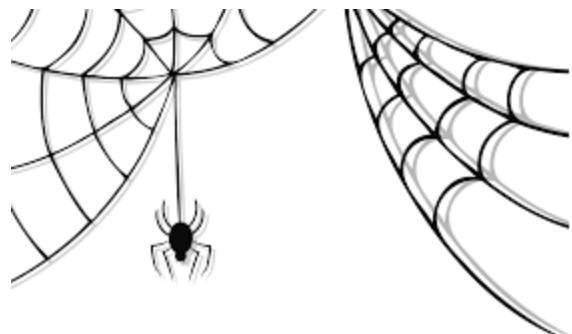

Remember we never know how one event or one act of kindness will affect someone's life. Please consider getting involved. Thanks so much.

Trick or Treat on Walnut Street

**October 31
3:30 pm – 5:30 pm**

We will once again participate in this community event, which draws more than 500 kids and families to this City tradition. It is a great way for us to show God's love through this small outreach effort. Please consider donating candy and or helping the day of the event. A signup sheet is located on the Outreach bulletin board.

Greetings,

From all we've read, two basic actions are necessary to build bridges/tear down walls to eradicate, or at least minimize racism: 1) get out of our comfort zone, 2) create deeper dialogue among us. The Gathering is not an "intensive get-together," but it provides an opportunity for sharing who we are as the Divine's creation.

We hope you will join us on October 14.

Peace,

Paul Helphinstine and Ed Wolff

Parish Nurse News...

PREPAREDNESS—Merriam-Webster dictionary defines *preparedness* as: the quality or state of being prepared.

Some things we can't prepare for but most things, we can! "Flu Season," being one of them! Medical providers in our area are already reporting *positive* test results for Influenza Type-B. This is occurring early which is a BIG warning sign that you and I should be on guard and prepared for "flu season." I suggest discussing the flu vaccination with your primary care doctor and with his/hers consent; take the flu vaccine.

According to the Centers for Disease Control and Prevention (CDC), the United States experiences annual epidemics of seasonal flu. This time of year is called "flu season." In the U.S., flu viruses are most common during the fall and winter months. Influenza activity often begins to increase in October and November. Most of the time flu activity peaks between December and February, and can last as late as May.

PROTECTIVE ACTIONS: The CDC recommends a yearly flu vaccine for everyone 6 months of age and older as the

first and most important step in protecting against this serious disease. Stay away from sick people. Wash your hands to reduce the spread of germs. If you are sick with flu, stay home from work or school to prevent spreading flu to others. In addition, there are prescription medications called antiviral drugs that can be used to treat influenza illness.

WHAT SHOULD I DO TO PROTECT MY LOVED ONES FROM FLU THIS SEASON?

Encourage vaccination. Encourage medical evaluation for possible treatment with flu antiviral drugs. These drugs work best if taken within 48 hrs of onset of when symptoms start.

For more information concerning the flu and flu vaccinations, please visit:

<https://www.cdc.gov/flu/about/season/flu-season-2018-2019.htm>

Dear Lord, "teach us to number our days, that we may gain a heart of wisdom"-Psalms 90:12. Love to ALL.

Musings from the Organ Bench

What an amazing month is October! Always my favorite time to feel alive and appreciate all the beautiful sights God has given us!

Please note the healing service this month and the wonderful Ecumenical picnic opportunity on October 14. Also I understand that an Oktoberfest is being planned as well as Trunk or Treat! Oh, boy! Lots of celebrating! Be sure to mark your calendar – you WANT to be part of this fellowship!

We've found some items in the "pit" behind the altar: a black bag and a red bag with lots of cords, etc. If these items are yours, please claim them soon; otherwise they will find a new home.

I always enjoy talking music. If you have a favorite hymn and would like to have it sung, let me know. I'll see what we can do.

Blessings my Church Family! I love you all!

Carolynn

On October 21, you are invited to a concert at Founders Park at 3:30 p.m. presented by Sonshine!, an ecumenical music consortium. (If you came to the Epiphany celebration on January 7, you experienced our group.) Each church choir will offer an anthem of praise and all choirs will sing en masse to close the program. If the weather decides to go snow/rain, we'll meet in the sanctuary of Central Baptist Church. Please come and help us praise our amazing God!

Douglas L. Murray
Homeless Programs Outreach Director
Appalachian Regional Coalition on Homelessness (ARCH)

This note is written to say a big “Thank You” to all who work with the prayer shawl ministry, and especially the ladies who came to my daughter, Teresa’s house this past week to present prayer shawls to both Teresa and me. We had a most enjoyable visit with Beverly Gugliotta, Lu Mattson, Patty Neas and Nancy Shilling.

As the older one of us, I have been knitting for many years. I had no idea that items so beautiful could be created with simple knitting needles and very clever hands. Those are more than just knitted items, they are small objects of art.

And then they are so much more beyond that. When we put the shawls around our shoulders to pray, we feel not only warm and comfortable, but connected to the ladies who visited with us, and thus with the entire congregation. In short, it makes us feel good, and protected, and safe, and very close to the Lord who makes everything possible.

Thank you again,

Christa Dison and Teresa Whetsell
